Community Service Learning Record
(For Student's Use Only)

Putnam Valley High School students are encouraged to keep an ongoing and accurate record of extra curricular and service learning activities performed throughout your high school career. Many college applications and scholarships request this information and award money in recognition of outstanding dedication and commitment to community service.
Please list activities that benefit **others** inside and outside our greater school community.

Student Name_____

Organization Name, Address, and Phone	Dates of Volunteering (From: mm/yy To: mm/yy)	# Vol. Hours	Type of Work Performed	Any Leadership Roles Assumed	Supervisor's Name	Appropriate Forms Submitted to PVHS
