

The holidays are over...oh, what shall we do...

The night winds are calling...oh, what shall we do....

**We'll give unwanted gifts over to you...
Yes! that's what we'll do.**

The Putnam Valley Education Foundation

could use your help

Do you have any unwanted gifts after the holidays?

Please support us with your tax deductible donations.

Last year we raised over \$8,000. This funded pedometers for the ES;
a ceramics kiln, volleyball court and basketball hoop for the MS;
art materials for the HS and much, much more.

The Foundation welcomes all parents to join our efforts to support their children's education.

Donors receive a free ticket to the auction
