Dear PVES Families,

Since the winter months are upon us, I would like take this opportunity to review procedures for a two-hour delay schedule. When PVES has a two-hour delay, buses will arrive two hours later than their regularly scheduled time. For example, if a bus is usually scheduled to pick up at 8:30, the bus will arrive at 10:30. If you usually drop your child off at school, please do not do so prior to 11:00. It is also important to note the following information:

- When there is a two-hour delay there is no morning kindergarten and afternoon kindergarten arrives at the usual time.
- All morning activities are cancelled, including: gym show, band practice, chorus practice, AIS reading and AIS math.
- PV Children's Center is on a two-hour delay which means it opens at 9:00 a.m.

In addition, here are a few reminders for our regular school days. Recently, some students have been arriving to school as early as 8:30 a.m. Unfortunately, we do not have the facilities or the teacher coverage to ensure that these students are properly supervised. ***Therefore, because school officially begins at 9:05, we cannot allow children to be dropped off at Putnam Valley Elementary School before 9:00 AM.***

Since safety is our number one priority at the Putnam Valley Elementary School, please be sure that our fire lanes (located directly in front of the main entrance) remain free of standing traffic at all times. Please help us to keep the fire lanes clear so that our building is in compliance with the fire safety laws.

Thank you in advance for your support.

Sincerely,

Jamie Edelman  
Principal
