

We Support Our Troops

Dear Parents,

This year PVES will participate in the “Support Our Troops” program. We will again be joining forces with United for the Troops. The goal of this program is to create several boxes that will be distributed to the troops who are currently overseas. Each box will include a variety of items that the troops need. Each grade level will be responsible for specific items and can choose one, or more, from their list.

Collection of items will begin on Monday, March 13th and end on Friday, March 31st. On March 31st, we will also have an assembly celebrating this collection with community members who served for our country and a representative from United for the Troops.

Below is the list of collection items by grade level:
