

Family Math Night

REMINDER!

Friday, March 27th
6:30 - 8:00 PM

Putnam Valley Elementary School

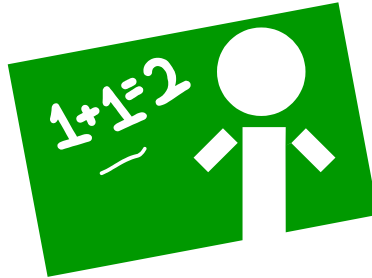

The Putnam Valley Elementary School teachers will hold an exciting event called Family Math Night. Students, parents, siblings, and other relatives are invited to attend a fun-filled evening of mathematical pleasure. We encourage you to continue to support your student's mathematical growth through your participation in Family Math Night. There will be a variety of resources available and many hands on activities that you can explore with the children. Come and see how we use technology to make math fun! There will be games, puzzles, and so much more!

FREE ADMISSION!

Putnam Valley PTA Presents:

A Math Workshop For Elementary School Parents

*If you missed our evening meeting –
here's your chance.*

A special morning meeting is scheduled for

Thursday, March 26, 2009

Location: Elementary School Library

Workshop: 9:30 AM – 10:30 AM

This workshop will be presented by
Tricia Murray, Assistant to the ES Principal.
Come learn strategies that will help your child at
home, become familiar with math language that
pertains to the Investigations curriculum and

learn the skills your child uses in addition,
subtraction, multiplication, and division.

RSVP is strongly encouraged but not required. Please email pvpta@pvcsd.org.

All are welcome.
