Dear Kindergarten Parents,

You are invited to attend an informational meeting to learn about the first grade programs at Putnam Valley Elementary School.

The purpose of the meeting is to share with you the first grade curriculum, acquaint you with Childside and general first grade classes, provide an opportunity to tour the classrooms and have your questions addressed.

Please join me on Wednesday, April 22nd, at 6:00 p.m. in room 32 (Childside classroom).

I look forward to seeing you.

Sincerely,

Jamie Edelman
Principal

Earth Day Celebration!

Friday, May 29th, 2009

Putnam Valley Town Park

4 p.m.

Hosted by the PVES Character Education Committee
and the Parks and Recreation Department.

Funded by the Education Foundation.

Please join us for a day of cleaning and gardening fun!

Parents, bring your children to the Town Park to learn about ways to save the earth. Your children can participate in planting flowers near the pavilion and beautifying the park by removing litter. You can bring your gardening gloves, tools, and/or donations of flowers. Also, if you bring pouches of empty juice drinks (Hi-C, Minutemaid, Kool-Aid and Capri Sun) they can be reused. We will also be collecting ink cartridges, cell phone batteries, etc. to be recycled.

Pizza and refreshments will be available.

Please RSVP to sbaumgartner@pvcasd.org to let us know how many family members will attend. ☺

Hope to see you there!
