**CLASS PARENT PROGRAM**  
**2011-2012**

Dear Parents/Guardians:

The Class Parent Program has been an integral part of the Putnam Valley Elementary School for many years. As a Class Parent you are an important link between home, school and the PTA. The Putnam Valley PTA will be facilitating this program again this year.

As a Class Parent you will work closely with the teacher to plan special days in the classroom. Some teachers may ask you to help in other areas. Your duties will be, but are not limited to, managing the class fund, assisting in PTA grade level events and promptly forwarding emailed information from the teacher, the school and the PTA.

Class Parents do not have to be moms; dads are also welcome, as well as other family members who are able to make the commitment. All Class Parents must be a PTA member. In order to keep up to date on what is happening in the school, the PTA is requesting that at least one class parent from each class attend monthly PTA meetings.

Please complete the tear off below if you are interested in becoming a Class Parent. Once the form collection process has been completed, you will be notified via email about Class Parent placement and date of orientation meeting.

Thank you for volunteering for this committee.

Sincerely,

Jeanine Garofalo  
Class Parent Committee Chairperson
