Katie L.Greer

Monday, September 25

7 pm

PV High School Performing Arts Center

Keep kids safe in our technology-driven world THE FIRST STEP IS EDUCATION

Katie L. Greer has provided nearly a decade of Internet/ technology safety education to schools, law enforcement agencies, community organizations and at national conferences throughout the United States and Canada. Her unique professional, educational and personal background has resulted in dynamic programs that appeal to all age groups. Ms. Greer has been featured on various television and news media, including The Meredith Vieira Show, The O'Reilly Factor, and CBS news.

As featured on:

Real strategies for protecting our students in a technology-driven world.

Babysitting will be available for school aged children.
