November 4, 2015

Dear Parent(s)/Guardian(s),

Please join us in school-wide celebration of sharing, caring, and giving. The goal of this project is to create over thirty dinners that will be distributed to members of the community during this holiday season and to teach our students about caring, sharing, and giving. Each dinner will include a variety of foods and each student will be encouraged to donate one item from the menu. Your child's teacher either assigned a food item to each student or had him or her choose what he or she would like to bring. The specified food item is listed below. If you are unable to participate, please let your child's teacher know. Food collection will begin Monday, November 16<sup>th</sup> and continue through Friday, November 20<sup>th</sup>. On Friday, the boxes will be moved to the main hallway and classes will be invited to see what they have accomplished.

Thank you in advance for your participation in this project and we wish all of you a very happy holiday season. **Food assignments will be sent home with children early next week, in their backpacks.**

Sincerely,
