Proudly Presents

DRACULA

This stage adaptation is closely based on the original (Bram Stoker's), presenting the frightening story that made this a horror classic. The mysterious Count Dracula has gone to England where he is living on a large estate next to an insane asylum run by the incredibly naive Dr. Seward. The others that make up the cast of this thriller include Professor Van Helsing who must convince Dr. Seward that Count Dracula is a vampire; Renfield, a fly-eating lunatic who serves the Count (once too often); beautiful Lucy Westenra, who has an uncanny resemblance to a girl Count Dracula loved over a hundred years ago; Charles, the Westenra family butler whose poor eyesight saves him from being hypnotized; as well as three female vampires. The plot develops with all the excitement of the original and then, in the end, the audience is given the jolt of a startling double twist.

We give this show a rating of PG for a few scary scenes that could frighten some of our younger audience members.

This production will be performed in the Putnam Valley High School's Performing Arts Center on Friday and Saturday, December 2nd and 3rd at 8:00pm, and a matinee performance on Sunday, December 4th at 2:00pm.

Ticket prices are \$5.00. Use this form to place your order now for best seating. Seats are sold on a first come first served basis. You can pick your tickets up at the box office before each performance or they can be sent home with your child. Please indicate your preference.
