

Dear Parents,

I am really excited about the Sport Stacking unit we are currently doing in PE. Sport Stacking is an exciting sport where students stack and unstack 12-specially designed cups (Speed Stacks). Sport Stacking uses both sides of the body and brain developing important athletic and academic skills.

One of my goals, as a Physical Educator, is to promote activity at home through positive alternatives to computer, television and video game screen time. I believe that Sport Stacking is a unique, fun and simple activity that motivates kids to get up and move.

I have Speed Stacks sets and StackMats for students to purchase here at the school with an added benefit of raising funds for our PTA. **Here's why you should participate:**

- Sport Stacking is healthy for kids.
- Sets are \$20.00. StackMats are \$20.00. You pay no shipping, PLUS, \$5.00 of your purchase goes directly to our PTA.
- Speed Stacks sets and StackMats are available for immediate purchase.

Act now, I have a limited supply of colors and quantities. An order form will be going home with your student. Please choose from the list on the form and return the order and payment to the school (checks should be made payable to the Putnam Valley PTA). First come, first served!

Sincerely,

Alissa Aurigemma

The Leader in Sport Stacking®

Thank you for supporting our Physical Education Program!

Order Form

1. Pick your color(s)
2. Fill out this form
3. Return payment and form to school

Please make checks payable to: Your School
