

Putnam Valley Education Foundation

Hello,

First we would like to thank everyone who helped to make this year's Wine Tasting and Silent Auction such a huge success. As you may have already heard we were able to raise over \$12,000.00. Because of the community's generosity we are going to extend the grant application process. The new deadline for submission is April 15th. Please help us to spread the word. There may be resources available for those that meet our grant application process criteria. (See below for more details)

And again thank you!

PVEF Board, Events Committee and Grant Committee

Our Mission

To aid the district in it's pursuit of excellence in education by generating and distributing private funds that will provide opportunities for innovative programs and projects.

Our Beginning

The Putnam Valley Education Foundation was established in 2003 by a group of community volunteers who hoped to augment the educational opportunities in the Putnam Valley Central School District.

How We Work

Each year the funds raised by the Putnam Valley Education Foundation are used for educationally sound programs and projects that cannot be funded by the district budget. Each spring, **school administrators, teachers, and parents or students with the support of their building administrator**, are encouraged to submit grant applications. The Foundation's Grant Committee reviews these applications and determines how best to allocate funds based upon each applications overall value to the district.
