

Brought to you
by the PTSA and
the Putnam
Valley Coalition

Attention Putnam Valley High School Junior/Senior Students: Join us for a **Free** Simulated Impaired Driving Experience Training this summer!

The **Simulated Impaired Driving Experience** training is designed to show how important it is to not be impaired or distracted when operating a motor vehicle. Research shows these resources and the lessons they deliver provide an experience that promotes a positive change in attitudes about drinking and driving. This training is conducted by healthcare professionals, law enforcement, substance abuse treatment professionals and prevention educators.

**Wednesday August 9th
8:45 AM - 12:00 PM**

This **FREE** program is for incoming Juniors and Seniors with a permit or driver's license. In addition, Students will all receive community service hours for this event and Seniors will be able to pick their parking spot!

**Please send an RSVP email with your
name & contact tel number to:
PutnamValleyPTSA@gmail.com**
