

# **COMMUNITY SERVICE ORGANIZATIONS**

## **-2009/2010**

Beginning with our current 10<sup>th</sup> graders, Putnam Valley Central School students will be required to participate in community service projects. Providing service to others is an important part of citizenship. It also provides a way for our students to expand their learning to areas that might prove to be of interest to them in the future. It is an opportunity for our students to become involved in community activities beyond the schoolroom.

Students are required to attain 40 hours of community service by the time they complete their senior year. In the case of our current 10<sup>th</sup> graders, their requirement is pro-rated to 30 hours. We recommend that each student acquire 10 hours of community service each year.
