The "TIGRIS" Yearbook Committee

November 2016

Dear Parents,

It is that time of year again. As the seniors are in the midst of enjoying and planning their last year at Putnam Valley High School. They have already experienced fall athletic events, homecoming, school spirit week, participation in clubs, plays and more, the yearbook committee is working hard trying to capture these moments. Our book is a full color, digitally produced yearbook, one of the nicest in the area.

Families may purchase a variety of advertisements to send a special message to your graduating senior. This year you have the option of creating your own message directly on the Jostens website OR have our yearbook staff design one for you. Please see the enclosed flyers explaining the steps involved. If you are using the Jostens website, you can make payment directly to them; if you are having the yearbook committee create a message for you, you need to fill out the school order form, send in or upload photos and mail it in to Mrs. Albano with payment. All advertisements are due January 27, 2017.

Also take note that the yearbooks are on sale right now through the Jostens website. You should be receiving a flyer in the mail directly from Jostens with all the ordering details.

If you have any questions or concerns, please contact me via email at ralbano@pvcasd.org.

Sincerely,

Regina Albano
