We have a class supply of crayons, colored pencils and glue sticks. Your child will use a composition notebook for a writing journal, which will be supplied for them. All notes and class work will be kept in their trapper keeper binder, which is for home/school use. They will bring that back and forth each day.

If there are additional supplies needed throughout the year we will send a note home. If you have any questions please do not hesitate to email me at cpasquale@pvcsd.org. I am looking forward to a great year working with your children.

I am looking forward to meeting and working with you in the 2011-2012 school year. Have a great summer and see you in September.
