

May 2013

Dear Putnam Valley Community:

Following the recent announcement by Dr. Nuzzi of her resignation as of August 1, the Putnam Valley Board of Education is actively working to make an effective transition plan to ensure continued leadership and a smooth transition as we close one school year and plan for the next. The Community Advisory Committee will be part of the planning team along with our school administrators. We will be discussing this transition plan, the position of superintendent and, as this is the final budget hearing, the 2013-14 budget at the next Board of Education Meeting on Thursday, May 9, at 7pm in the PVHS cafeteria. You can also watch the meeting live on the Internet through the [www.PVCSD.org](http://www.PVCSD.org) at **LIVE-Video Streaming**.

We encourage you to attend and be a part of this important conversation. Your input as we move forward will be essential.

Sincerely,

The Putnam Valley Board of Education:

Valerie Fitzgerald, President

Guy Cohen, Vice President

Joe Ferraro, Trustee

Jeanine Rufo, Trustee

David Spittal, Trustee
