Extraclassroom Activity Funds

Statement of Cash Receipts, Cash Disbursements
and Cash Balances

Year Ended June 30, 2015

Independent Auditors' Report

The Board of Education of the
Putnam Valley Central School District, New York

Report on the Financial Statements

We have audited the accompanying statement of cash receipts, cash disbursements and cash balances of the Extraclassroom Activity Funds of the Putnam Valley Central School District, New York, as of and for the year ended June 30, 2015, and the related note to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the basis of accounting described in Note 1; this includes determining that the basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

O'CONNOR DAVIES, LLP

500 Mamaroneck Avenue, Suite 301, Harrison, NY 10528 | Tel: 914.381.8900 | Fax: 914.381.8910 | www.odpkf.com

O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Qualified Opinion

Controls over cash receipts during the time period between when receipts are first received by student club members and when such receipts are given to School District personnel for initial entry in the accounting records are not sufficient to enable us to extend our audit procedures beyond the receipts recorded. Accordingly, we were unable to form an opinion with respect to the completeness of cash receipts.

Qualified Opinion

In our opinion, except for the possible effects of the matter discussed in the basis for qualified opinion paragraph, the financial statement referred to in the first paragraph presents fairly, in all material respects, the cash receipts, cash disbursements and cash balances of the Extraclassroom Activity Funds of the Putnam Valley Central School District, New York as of June 30, 2015 and for the year then ended, in accordance with the basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 to the financial statement, which describes the basis of accounting. The financial statement was prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Restriction on Use

This report is intended solely for the information and use of the Board of Education, the State Education Department and management and is not intended to be and should not be used by anyone other than these specified parties.

The accompanying note is an integral part of the financial statement.

Note 1 - Summary of Significant Accounting Policies

The transactions of the Extracurricular Activity Funds are considered part of the reporting entity of the Putnam Valley Central School District, New York ("School District"). These funds are reflected in the financial statements of the School District within the Agency Fund.

A. Basis of Accounting

These financial statements were prepared on the basis of cash receipts and cash disbursements in conformity with the accounting principles prescribed by the New York State Department of Education, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this basis of accounting, revenues are recognized when cash is received and expenditures are recognized when cash is disbursed.

B. Deposits and Risk Disclosure

Cash and equivalents consist of funds deposited in demand deposit accounts, time deposit accounts and certificates of deposit with original maturities of less than three months.

The Extracurricular Activity Funds deposits and investment policies follow the School District's policies. The School District's deposits and investment policies are governed by State statutes. The School District has adopted its own written investment policy which provides for the deposit of funds in FDIC insured commercial banks or trust companies located within the State. The School District is authorized to use demand deposit accounts, time deposit accounts and certificates of deposit. Permissible investments include obligations of the U.S. Treasury, U.S. Agencies and obligations of New York State or its political subdivisions, and accordingly, the School District's policy provides for no credit risk on investments.

Collateral is required for demand deposit accounts, time deposit accounts and certificates of deposit at 100% of all deposits not covered by Federal deposit insurance. The School District has entered into custodial agreements with the various banks which hold their deposits. These agreements authorize the obligations that may be pledged as collateral. Such obligations include, among other instruments, obligations of the United States and its agencies and obligations of the State and its municipal and school district subdivisions.

Custodial credit risk is the risk that in the event of a bank failure, the School District's deposits may not be returned to it. Governmental Accounting Standards Board ("GASB") Statement No. 40 directs that deposits be disclosed as exposed to custodial credit risk if they are not covered by depository insurance and the deposits are either uncollateralized, collateralized by securities held by the pledging financial institution or collateralized by securities held by the pledging financial institution's trust department but not in the School District's name. The School District's aggregate bank balances that were not covered by depository insurance were not exposed to custodial credit risk at June 30, 2015.

The School District was invested only in the above mentioned obligations and, accordingly, was not exposed to any interest rate or credit risk.
